Transport Plans 26/27 - Thinking Differently

Parent Attendance:

If your school is using parents to bring children to events and they plan on staying, you must let me know beforehand how many people to expect. Please remember that parents can only spectate at selected events.

Partnership Transport:

If you would like the partnership to prebook your transport with other schools to reduce costs please leave a comment in your event booking.

More Notice Needed

To allow sufficient time for booking school transport, all events will open for booking during the summer holidays. Online entries will close exactly four weeks before each event date. If booking numbers are low, an event may be cancelled, and four weeks' notice will be provided

Whole Class Options

Struggling with staff cover? If you need to send whole classes to specific events instead, please email Jeffrey Hoey. You can check which events have spaces in the new 'Capacity' section of the calendar

Date	Age	Time	Gender	Venue	Parents	Size	Mass Participation (Whole Class)	Activity
