

'Jolly Hockey Sticks!'

Cooperation Communication Perseverance Collaboration Thinking-skills

In this simple to deliver activity you will need:

- A basketball or football (pumped up)
- Hockey sticks for all participating [5-6]
- Cones, hoops as desired

Activity:

Place the basketball in the hoop

In groups of **5-6** the 'team' must only use their hockey sticks to lift and carry the ball to another hoop (or round some obstacles which the teacher has set out – cones etc)

All players in 'team' must be involved and all must be involved and touching the ball with their stick during the carry phase.

- The ball cannot be touched by hand
- The ball cannot be 'hit'
- The sticks are the only thing that you can use to have contact with the ball

Questions:

- **'Plan, Do, Review – How are you going to try? Try it? Did that work well?'**
- **'What went well? What might you want to do differently?' [WWW / EBI*]**
- **'How might the shape of the stick help you?'**
- **'How could you steady the ball during carry?'**
- **'Can you form a 'cradle' for the ball to sit in?'**
- **'Can you ensure everybody's ideas are listened to?'**
