

BEING ACTIVE AT HOME PERSONAL CHALLENGE

It is the mission of the School Games to provide 'more young people with the opportunity to compete and achieve their Personal Best'- School Games

Select an activity which you can do at home. Select a time (30 seconds, 1 minute, 2 minutes) and see how many times you can do your activity in the chosen time.

Write the score down and try again sometime soon! Practice practice practice and you'll see your score go up! Don't worry if it doesn't straight away (usain Bolt didn't break the world record in every race).

Find a healthy way of rewarding yourself when you complete the challenge or when your score improves! Good luck!
